ART	During this new project we are going to understand and paint as the impressionist did. Today you should copy this painting from Oscar-Claude Monet, San Giorgio Maggiore at Dusk.  Look carefully how the colours mix by just putting different colour dashes together. In some areas you may be able to appreciate upto 5 different colours. Try to do the same with colouring pencils, felt-tips, etc. Complete the whole copy of the painting.  Write your name surname, class code and present the work to your teacher when you are back in your class.	If you finish earlier than 1 hr and 15 minutes, take photos of yourself on your phone and do it again!  Note: If you are UNSURE at any point, please contact Mrs Palomino with any questions and further guidance
