# Uniform and Equipment Expectations

Dear Parent/Carer

The Regis School students are expected to wear the school uniform as outlined in this booklet. We believe that this creates a sense of identity and belonging and helps to remove the pressure and expense of passing teenage fashions. It also supports the notion that a uniform or dress code is representative of high expectations, a professional environment, and high standards, thus helping to create an effective learning environment.

If a student fails to attend in full school uniform, contact will be made with home in order that the situation can be rectified. We have an extensive store, so in most cases can loan items on the day. In some circumstances a student may be sent home to change or may be expected to complete their learning in the study room, if they refuse to borrow or wear our uniform.

# All students

Students who do not follow the guidelines, will be asked to remove non regulation items and if necessary, will be able to borrow the appropriate item from our uniform store. If the student has an item that cannot be easily removed, such as gel nails, they will be asked to work in our study room, until the uniform issue is resolved. If you have any questions about uniform, please contact your child's tutor or their Head of Year in the first instance.

## Hairstyles

---

**Hairstyles should be smart and in keeping with a formal learning environment.**

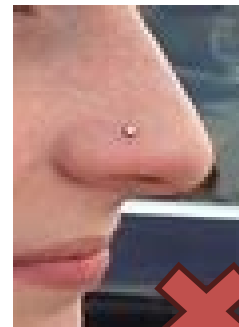

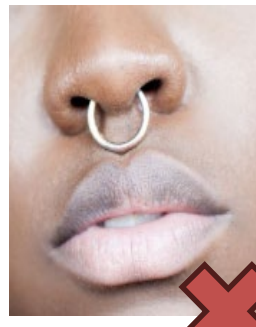

Unacceptable styles include skinhead or punk styles, and whole or partial colouring of an unnatural shade, e.g. blue, bright red and bleached hair. Razor cuts or shaved heads (anything less than a grade 1) forming patterns to the scalp also come into this category. **Plain black or brown hair ties/scrunchies/claw clips or slides are permitted but no other hair accessories are allowed.**

## Jewellery

---

Students are only permitted to wear **one plain stud earring in each ear and a watch. No other jewellery is permissible**, including bracelets, necklaces, rings, facial piercings (including nose rings or studs, tongue piercings) multiple piercings or ear stretchers/bars. This upholds health and safety requirements in practical lessons and reduces the risk of precious and sentimental items becoming lost or damaged at school. Clear retainers are not acceptable, and families are asked to consider timing any piercings to take account of this, as students will be asked to remove any jewellery item that is not in line with policy and will be given an automatic sanction. No badges, other than those issued by the school may be worn.

## Make-up and nails

---

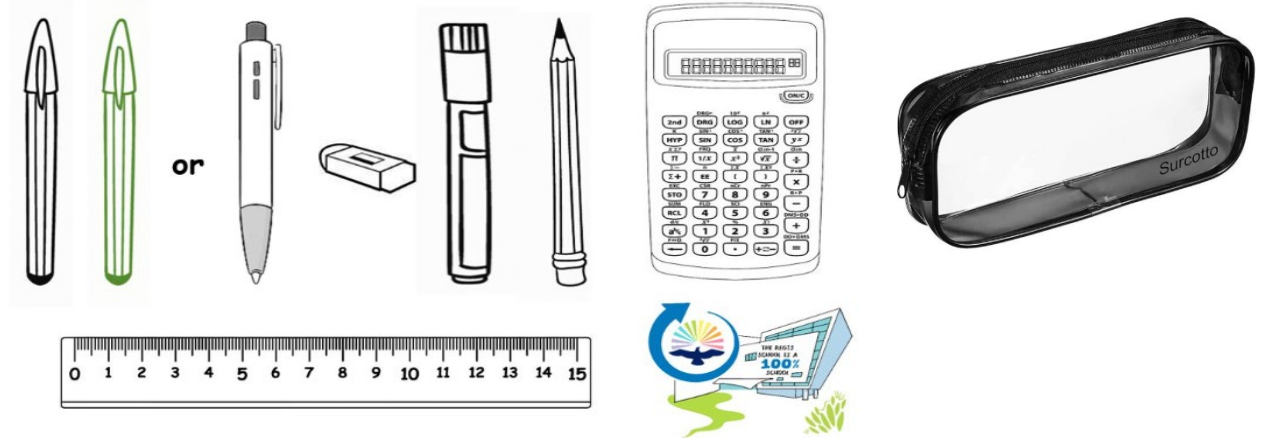

A light, **natural looking** make up is permitted. Excessive make up is not permissible, including heavy black eye make-up, false lashes, or eyebrow make-up. All make up must be subtle. **False nails or gel nails are not permitted.** Nail varnish if worn, must be clear. No tattoos, including temporary tattoos are permitted.
