

Welcome to Transition Parents' Evening

The Process

Regis Ready Day	Transition Day	Day 1 of Year 7
		
<p>June 20th/27th 2024</p>	<p>July 3rd 2024</p>	<p>September 4th 2024</p>
<p>A half cohort day designed to give students a chance to experience life at The Regis School. Students attended lessons in Maths, English and Science and took part in a 'Rights Respecting Activity'</p>	<p>A full cohort day giving students an opportunity to meet their year group including their tutor group. Students attended lessons in Geography, History and Technology. They were also given a presentation on the benefits of regular attendance.</p>	<p>Only year 7 and year 11 students will be in school on this day. This will give students a chance to familiarise themselves with the building and navigating around their new school. Students will have an extended tutor time, assembly and then attend lessons.</p>

An Ambitious & Balanced Curriculum

- Confidence
- Collaboration
- Creativity

Technology, Art, Drama, Music & PE

- Comprehension
- Analysis
- Empathy

Foundation Subjects (Geo, His, MFL, RE & Computer Science)

- Literacy
- Communication
- Problem Solving

CORE Subjects (Ma, Eng & Sci)

For more information on our curriculum please click [here](#).

Homework

- In the first term, students will be set HW from Maths and English only.
 - Both subjects use a platform called Sparx (Maths and Reader).
 - Students will be shown how to access and use these platforms.
 - More information will be available in September.
-
- Other subjects may set optional HW as an enrichment opportunity. These tasks are not compulsory but give students an opportunity to go above and beyond the bare minimum and to be rewarded for doing so.

Academic Grouping

- In September, students will be grouped based on their KS2 data.
- Students in year 7, 8 and 9 are streamed for Maths, English and Science.
- This means they are in the same class for all three subjects.
- Streams are calculated using an average of a student's ranks in Maths, English and Science:

	Maths Rank	English Rank	Science Rank	Average Rank	Stream
Student A	35	14	26	24.6	1

- In the example above the student has an average rank of 24.6 placing them in stream 1. Their Maths rank alone would place them in stream 2 however we recognise their ability in the other core subjects and so they enter the higher stream.

Communication

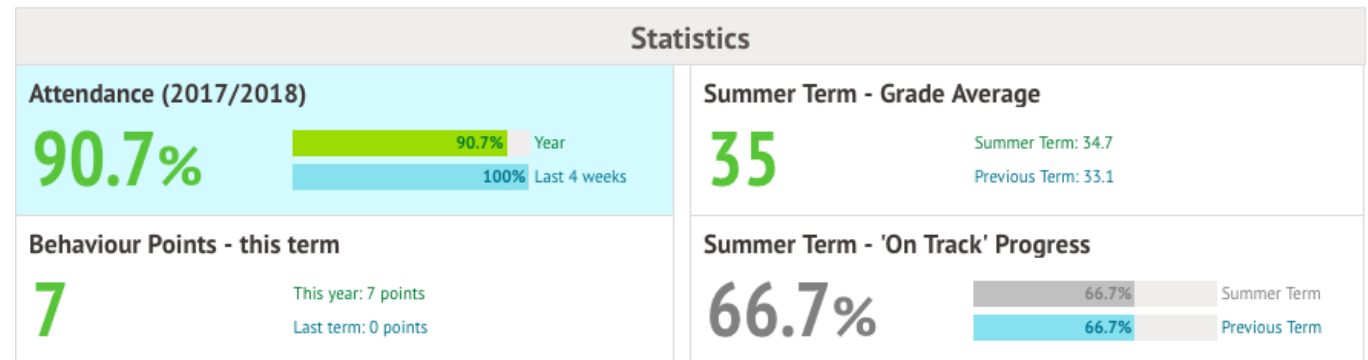

- Our website contains updates on events including [term dates](#) and times. You will also have access to all our policies and curriculum documents.
- Arbor is our management information system. It is how we store information and register students daily. You will have access to your child's profile which will show messages, attendance, behaviour, assignments, clubs and trips...

Points of contact:

Tutor

Head of Year – Mrs Bishop

Director of Year – Mr Jewell

Arbor

We will also use Arbor to manage payments, including in the canteen.

You will be able to top up your child's account and see their purchases.

Further details will be sent out in September.

The screenshot shows the Arbor parent portal interface for Adam Allen at Waterford Primary School. The page is organized into several sections:

- Header:** Waterford Primary School logo and name, user name Georgia Allen, Sign out, Help Centre, and Arbor logo.
- Quick Actions:** A dropdown menu for Adam Allen, Form 6LJ, with a View Student Profile button.
- Messages:** A notification stating "You have no unread messages".
- Notices:** A notice about social media image consent for Adam Allen.
- Payments:** A section showing a total outstanding amount of -£710.71 and a link to review accounts.
- Lessons:** Two columns for current and next lessons, both for Year 6: Form 6LJ, Mr Johnson, on Tuesday, 19 Sep 2023.
- Statistics:** A grid of performance metrics:
 - Attendance (2023/2024):** 73.3% (Year), 73.3% (Last 4 weeks).
 - Golden Time - this term:** 0 (This year: 0 points, Last term: 202 points).
 - Summer - Grade Average:** 3 (Summer: 3, Previous Term: 2).
 - Summer - 'On Track' Progress:** 66.7% (Summer, Previous Term).
